

THE ACCOHANNOCK INDIAN WATER TRAILS

The Accohannock Indian Water Trails include the opportunity for kayak and canoe rentals or use of your own water craft launching from Bending Water Park. You have the option of guided or self-guided paddles.

All levels of experience can enjoy the Accohannock Water Trails with shorter, well-protected day paddles to extended paddles for the more seasoned and adventurous.

With enough advance notice and coordination with Trail Outfitters, your paddle can extend the entire length of the peninsula or any length in between.

Fees based on choices: rental, guide, custom and/or extended paddles. Overnight rustic camping available at Bending Water Park for a fee.

A typical paddle may extend from Bending Water Park launch site just to the mouth of East Creek
