JANES ISLAND STATE PARK

Located near Crisfield on Maryland's Eastern Shore, Janes Island State Park offers visitors a unique opportunity to enjoy the beauty and bounty of the Chesapeake Bay. Within the mainland portion of the park are the campground, rental cabins, conference center, picnic areas and pavilions, and the boat ramp and marina.

The island portion of the park – Janes Island – includes over 2,900 acres of saltmarsh, over 30 miles of water trails, and miles of isolated pristine beaches. Although people have harvested the resources of the island for thousands of years, today the island is wild and seemingly untouched. A haven for birds, fish, crabs, and other saltmarsh dwellers, Janes Island provides kayakers a tranquil setting to explore the wildlife of the Bay while enjoying the expansive vistas and stunningly beautiful sunsets.
