WHITTY'S DITCH – CRISFIELD

Whitty's Ditch is located within the Cedar Island Marsh Sanctuary.

Cedar Island Sanctuary is located within the corporate limits of the City of Crisfield and contains more than 300 acres of protected wetlands. The Crisfield Heritage Foundation has begun to focus on the three-hundred acres of pristine marsh land adjacent to Jenkins Creek and Somers Cove Marina. The land acquired several years ago by the Foundation is home to abundant wildlife and a large blue heron rookery as well as unique fresh water springs amid a large salt marsh.
